**PART VII  
THE COMPANY**

1. (a) Provide brief history of the company since its inception to the present time.

*A joint venture between Cable & Wireless and the Government of St.Kitts and Nevis in 1985 resulted in the formation of St.Kitts and Nevis Telecommunications Ltd (SKANTEL).*

*As part of Cable & Wireless' thrust to establish a global identity and positively leverage the Cable & Wireless brand, in 1999 the company was re-branded to Cable & Wireless (St. Kitts and Nevis) Ltd.*

*Following the sale of shares in 1990 and 1992, the respective share holdings were: Cable & Wireless 65%, Government 17% and the public 18%. This shareholding remained until September 2007, when Government resold their Shares to Cable & Wireless.*

- (b) Provide a description of the developments in the company's main line of business including accomplishments and future plans.

*The company sells three main products: Mobile, Broadband and Fixed Line. Following the granting of additional Licences, competition in Mobile, Internet and International telephony has emerged, with several Operators offering these services in St.Kitts & Nevis.. However, Cable & Wireless St.Kitts and Nevis Ltd is the market leader in all three services.*

**Mobile**

*Throughout the 2004/05 financial year, significant capital investment was made in the expansion of the GSM network, a technology which was introduced in May 2004 and which has superseded TDMA technology. This new technology resulted in greater mobile coverage in the Federation and resulted in significant growth in mobile customers. Other service providers are Digicel, UTS Cariglobe and 21<sup>st</sup> Century Telecom.*

**Broadband**

*The launch of C&W's Dell laptop initiative provided an avenue for potential Internet users to purchase Dell Laptops. This initiative, along with the migration of existing dialup customers to high-speed Internet access, contributed to the growth of the Broadband service. Other service providers are; Cable TV, Caribbean Cable Communications Company in Nevis and Tekstream also of Nevis.*

***Fixed Line***

***In January 2005 the per minute rate for Domestic calls was reduced and customers received 60 free minutes of local fixed to fixed calls on each line monthly. In January 2006 there was a further reduction in domestic fixed to fixed rates and an increase in the number of free minutes provided on each line. The fixed to fixed rates were reduced from 7cents per minute weekdays and 5cents evening and weekends to 6cents weekdays and 4cents evenings and weekends. Additionally the number of free minutes was increased to 80 . Other organisations offering this service are Cable TV and Caribbean Cable Communications Company.***

- (c) Describe in detail what business the company does and proposes to do, including what products or goods are or will be produced or services that are or will be rendered.

***The following are the products and services the C&W currently provides:-***

***Domestic telephony***

***International Direct dialing***

***International 800 service***

***Pabx and Key systems***

***Facsimile***

***Internet through dial up, Broadband and Direct Connect***

***Voice over Internet Protocol (VOIP) for residential customers***

***Mobile, prepaid and post-paid using GSM technology***

***Mobile roaming***

***SMS, MMS and GPRS***

***Wireless local loop***

***Frame Relay***

***International Private circuits***

***Enhanced fixed line service- voicemail, call-waiting, caller-id, conference-calling, last call return (\*69), ring back when free (\*66)***

***Wi-Fi***

***MPLS***

***E-services (cellular top up, bill payment online, local directory on line)***

- (d) Describe how these products or services are to be produced or rendered and how and when the company intends to carry out its activities. If the company plans to offer a new product(s), state the present stage of development, including whether or not a working prototype(s) is in existence. Indicate if completion of development of the product would require a material amount of the resources of the company, and the estimated amount.

***The Company is able to provide its services through its investment in the infrastructure. This investment includes the provision of fixed line, mobile and broadband technology throughout the Federation.***

- (e) Describe specifically the marketing strategies the company is employing or will employ in penetrating its market or in developing a new market. Indicate how and by whom, its product or services are or will be marketed (such as advertising, personal contact by sales representative, etc.), how its marketing structure operates or will operate and the basis of its marketing approach including any marketing studies.

***Potential purchasers of the Company's services are all individual consumers, businesses and households in the Federation. As such the marketing strategy is broad. Various media are used for advertising our products and services. These include radio, newspaper, TV, billboards, brochures and bill-stuffers. The company sells its products and services through various channels including its own retail stores, vendors, distributors and telesales.***

- (f) Describe generally the principal properties (such as real estate, plant and equipment, patents, etc.) that the company owns, indicating also what properties it leases and a summary of the terms under those leases, including the amount of payments, expiration dates and the terms of any renewal options. Indicate what properties the company intends to acquire in the immediate future, the cost of such acquisitions and the sources of financing it expects to use in obtaining these properties, whether by purchase, lease or otherwise.

***Tangible fixed assets owned by the Company are land and Buildings, Line Plant, Switches, Vehicles, and Cell Sites. Some Cell Sites are located on land leased by the Company***

- (g) Description of the industry in which the company sells its products or services. (Where applicable, include any recognised trends within that industry. Describe that part of the industry and the territory in which the business competes).

***Cable and Wireless has a Telecommunications licence for the provision of all telecommunication services to the Federation of St. Kitts and Nevis. It therefore provides services to all market sectors. Cable and Wireless competes with other Service Providers in the provision of Mobile, Internet and fixed line services.***

- (h) Indicate current and future forms of competition, (whether by price, service or otherwise). Name the company's main actual and/or potential competitors. Indicate the relative size, financial and market strengths of the company's competitors and/or its anticipated competitors. State bases on which the company can effectively compete with these and other companies within the industry.

***Current forms of competition are:***

- 1. Competition from licensed Service Providers. Main competitors in this category are:***

- ***“The Cable” that currently has a license for Internet and fixed line services,***

- *Digicel, with a licence for mobile,*
- *Caribbean Cable Communications in Nevis with a Licence for Internet and fixed line,*
- *UTS/Cariglobe with a license for mobile,*
- *21st Century Telecom with a license for Mobile using CDMA technology and*
- *Tekstreme in Nevis with a license for wireless Internet.*

**2. Competition from off-shore Service Providers that offer VOIP services.  
Main competitors are 'Vonage' and 'Skype'.**

***C&W continues to be the market leader in a competitive environment through its strong market initiatives, value creation and social responsiveness.***

- (i) Indicate the extent to which the company's operations have depended or are expected to depend upon patents, copyrights, trade secrets, know-how or other proprietary information. Describe the steps taken to secure and protect the company's intellectual property. (Include use of confidentiality agreements, covenants-not-to-compete and the like).

***Operating in a competitive market, C&W must ensure that information sensitive to its operations is not disclosed to anyone other than those who need to or have a right to view it. Cable & Wireless protects its intellectual property in a number of ways. All employees are bound by contractual obligations to safeguard company information, and in many cases are required to agree to covenants not to compete against C&W for a specified period of time after leaving C&W. Non-disclosure agreements are signed with any person outside of the company given access to sensitive information. Sensitive information required to be provided to the National Telecommunications Regulatory Commission or ECTEL is provided under confidential cover and is protected by statutory provisions. Trademarks are registered to permit enforcement of rights in respect of them.***

- (j) State whether the company's business, products or properties have been subject to material regulation (including environmental regulation). Indicate the nature and extent of regulation and its effect or potential effects upon the company and its operations.

***Following liberalisation of the Market in April 2001, the National Telecommunications Regulatory Authority (NTRC) was formed. This Body is responsible for the approval of all requests for the introduction of any new***

*regulated service or any rate adjustment to an existing service. The following are the services that are regulated and are therefore subject to approval by the NTRC for any rate change:-*

- *Domestic fixed lines*
- *Domestic leased circuits*
- *International leased circuits*
- *VSATs*
- *Frame Relay*
- *Internet service*

*In accordance with the Securities Act of 2001 Cable & Wireless is required to file accounting and financial reports with the Eastern Caribbean Securities Regulatory Commission (ECSRC) on a quarterly and annual basis.*

- (k) State names of the company's subsidiaries. Outline their business purposes. Give names of primary owners. (Indicate whether this information is included in the Financial Statements attached hereto).

*Above not applicable*

- (l) State whether the company is a subsidiary. If so, describe the business of the parent company. Indicate what percentage of the company is owned by the parent.

*Cable and Wireless (St.Kitts & Nevis) Ltd is a subsidiary of Cable and Wireless (West Indies) Ltd.(CWWI) which is the entity offering these shares for sale to the public. CWWI is provides Telecommunications services to the OECS and the wider Caribbean. Currently CWWI owns 82% of the Company and the general public 18%.*

- (m) Summarise the material events in the development of the company including any material acquisitions or mergers during the past five years.

The material events in the development of the Company during the past five years are:

- *The liberalisation of the Telecommunications Market and the entrance of three mobile operators, three licensed International resellers of long distance calls, and one wireless internet provider.*
- *The emergence of Voice Over Internet Protocol (VOIP) communications and the related decline in traditional long distance calling.*
- *The deployment of GSM as new mobile network technology and subsequent retirement of the TDMA infrastructure.*
- *The increased demands for high speed internet access both for consumers and businesses*

2. List in order of importance the factors, which are the most substantial risks to an investor (i.e., those factors which constitute the greatest threat that the investment will be lost in whole or in part, or will not provide an adequate return).

**SPECIAL RESOLUTIONS**

*At the General Meeting of Cable & Wireless (St. Kitts & Nevis) Limited held at Ocean Terrace Inn, Fortlands, Basseterre, St. Kitts on the 11<sup>th</sup> day of December, 2007 the following special resolutions were unanimously passed:*

*1. "RESOLVED that the Company's Articles of Association be and are hereby amended as follows:-*

- 1) By amending Article 97 by the deletion of the words "and in the case of Government of St. Kitts and Nevis by a representative duly authorized by a written instrument signed by the Cabinet Secretary" in lines 2 to 5.*
- 2) By amending Article 100 by the deletion of the words "and if such appointer is the Government of St. Kitts and Nevis under an instrument in writing signed by the Cabinet Secretary" in lines 4 to 6.*
- 3) By deleting Article 107 and replacing it with the following Article:*

*107. Unless otherwise determined by ordinary resolution the number of directors (other than alternate directors) shall not be less than three (3) nor more than seven (7).*

- 4) *By deleting Articles 110 to 113 inclusive and replacing them with the following Articles:-*

*110. The directors of the Company holding office at the date of the Annual General Meeting of the Company in 2007 shall remain in office, subject to disqualification, removal and rotation as provided in these Articles or the Act.*

*111. The Board of Directors shall at all times include such number of directors who are not employees of the Company or any of its related companies as is prescribed by the Act from time to time. For the purposes of this article "related company" has the same meaning as provided in Section 73(4) of the Act.*

*112. The directors may appoint a person who is willing to act as a director either to fill a vacancy or as an additional director, provided that the appointment does not cause the number of directors to exceed any number fixed by or in accordance with the articles as the maximum number of directors. A director so appointed shall hold office only until the next following annual general meeting but shall be eligible for reappointment.*

*113. Subject to Articles 110, 111, 112 and 122 the directors shall be appointed by the Company by ordinary resolution.*

- 5) *By amending Article 114(a) by the deletion of the words "with the consent in writing of the shareholder who appointed or nominated him" appearing in lines 1 and 2 and the words "with such consent" in line 4.*
- 6) *By amending Article 117 by the replacement of the words and figures "Article 108" at the end of line 3 with the word and figures "Article 107".*
- 7) *By amending Article 118 by the deletion of sub-article (e).*
- 8) *By amending Article 126 by the deletion of the words "the Government of St. Kitts and Nevis" in line 3 and by the deletion of the words "pursuant to any agreement to that effect between Cable and Wireless (West Indies) Limited and the Government of St. Kitts and Nevis" in lines 3 to 5 of sub-article (11)*
- 9) *By amending Article 133 sub-article (a) by the deletion of the words "two of whom shall be appointees of Cable & Wireless (West Indies) Limited" in lines 6 to 8.*
- 10) *By amending Article 142 by the deletion of the words "in St. Kitts and Nevis (but may, with the unanimous consent of Cable and Wireless (West Indies)*

*Limited and the Government of St. Kitts and Nevis, be convened and held outside St. Kitts and Nevis but not within the United Kingdom)” in lines 2 to 6.*

*11) By amending Article 168 by the deletion of the words “Each of” and the words “and the Government of St. Kitts and Nevis” in lines 1 to 2.*

*12) By amending Article 174 by the deletion of the words “Each of” and the words “and the Government of St. Kitts and Nevis” in lines 1 to 2.*

2. *“RESOLVED that the Company’s Articles of Association be amended as follows:-*

*(1) By renumbering Article 205 as Article 209.*

*(2) By adding the following Articles:*

*205. In addition to all other powers given to the directors by these Articles, the directors may list the Company on any stock or securities exchange licensed under the laws of the Federation and/or the laws of any member country of the Caribbean Community.*

*206. If the Company is listed on a stock or securities exchange, the directors may engage any entity licensed under the laws of the Federation to operate a share registry (hereinafter called “the share registry”) to maintain the Company’s register of members and the directors may enter into all agreements and take all actions necessary to transfer the Company’s register of members to the share registry and to enable the share registry to maintain the same.*

*207. The Company’s register of members may be maintained by the share registry in electronic form and the ownership of the Company’s shares or stock may be evidenced without a share certificate or other written instrument. The register of members maintained by the share registry shall be prima facie evidence of the ownership of shares or stock of the Company. The provisions of this Article shall supercede all other provisions of the Articles relating to the use and issue of share certificates and the effect of share certificates.*

*208. Notwithstanding any other provision of the Articles, if and for so long as the Company is party to an Agreement with a share registry for the maintenance by the share registry of the Company’s register of members-*

*(a) the procedures agreed between the Company and the share registry for the recording, transfer and transmission of title to shares or stock of the Company shall supercede all other provisions of the Articles provided always that such*

*procedures shall not in any manner derogate from the interest in the shares of a shareholder or person entitled to the shares by transfer or transmission.*

*(b) Articles 58 and 60 to 63 inclusive shall be suspended.”*

.....  
*JONATHAN BASS  
COMPANY SECRETARY*

*Dated this 27<sup>th</sup> day of December, 2007.*
