CHAPTER 2: GENERAL LISTING REQUIREMENTS AND CONTINUING OBLIGATIONS

2.1 Goals of the Exchange

The principal function of the Exchange is to provide a fair, orderly, transparent and efficient market for the trading of securities issued by all types of Issuers.

2.2 Requirements for Listing

In furtherance of these goals, these Listing Rules prescribe the requirements for obtaining and maintaining a place on the Exchange's official list of securities eligible for trading on the Exchange, including:

- (a) Requirements which must be met before securities may be granted a listing on the Exchange (such as the minimum requirements for listing, application procedures and fees payable, and the contents of Listing Documents);
- (b) The continuing obligations with which an Issuer must comply once a listing has been granted; and
- (c) The powers of the Exchange with respect to the cancellation of a listing, the suspension of trading in listed securities, and disciplinary matters.

2.3 Additional or modified requirements

Issuers should note that these Listing Rules are not exhaustive. The Exchange may, where necessary in its sole and exclusive judgment, impose additional requirements or make listing subject to special conditions, either temporarily or permanently, whenever in the judgment of the Exchange such conditions are considered appropriate. Issuers must satisfy any additional requirements and supply any further documents and information that the Exchange may require in any particular case or class of cases. The Exchange may also modify the application of any particular Listing Rules, conditionally or unconditionally, in such cases and circumstances as it considers appropriate.

2.4 Amendment of Listing Rules

These Listing Rules may be amended by the Exchange from time to time, subject to the approval of the Commission as provided in the Securities Act.

2.5 Suitability of Issuer and its business

All Issuers and their businesses must, in the opinion of the Exchange, be suitable for listing. Suitability for listing depends on many factors. Compliance with these Listing Rules does not in itself guarantee or determine an applicant's suitability for listing or ensure that a listing application will be granted, as a listing, though subject to regulation, is a voluntary contractual relationship between the Exchange and each Issuer. The Exchange therefore retains absolute discretion to accept or reject applications for listing. Prospective Issuers and their professional advisers are encouraged to contact the Exchange staff to seek

informal and confidential guidance as to the suitability of the Issuer in a proposed application for listing.

2.6 General listing principles and standards

These Listing Rules reflect currently accepted international standards and seek to achieve a proper balance between providing appropriate Issuers with access to the capital market at the earliest possible opportunity, while providing investors with appropriate safeguards and with sufficient and timely information to enable them to make informed decisions as to the value and merits of listed securities. In particular, these Listing Rules are intended to ensure that investors have and will maintain confidence in the capital markets and the Exchange and that:

Suitability

- (a) Issuers and their businesses are suitable for listing;

Issue and Marketing of securities

- (b) The issue and marketing of securities is conducted in a fair, open and orderly manner and that potential investors are given sufficient information to enable them to make a properly informed assessment of the Issuer, and of the securities for which listing is sought;

Continuing Disclosure

- (c) After listing, investors and the public are kept fully informed by the Issuers of any new developments which are not of public knowledge and in particular that immediate disclosure is made to the Exchange of any information which might reasonably be expected to have a material effect on market activity in, and the prices of, the Issuers' listed securities;

Fair and Equal Treatment

- (d) All holders of listed securities of the same class are treated fairly and equally;

Directors' Conduct

- (e) The Directors of an Issuer act in the interests of its shareholders as a whole, particularly where the public represents only a minority of the shareholders;

Liquid Market

- (f) A sufficiently liquid market for the securities exists or is expected to develop in the near future;

Entire Class Listed; Securities in Public Hands

- (g) The whole class of securities will be listed on the Exchange, with a minimum of twenty percent (20%) of the issued and outstanding securities being held by persons other than Directors, officers or employees of the Issuer;

Convertible Securities

- (h) If the securities to be listed are Convertible securities, the Exchange must be satisfied that investors will be able to obtain the information necessary to form a reasonable opinion as to the value of the underlying securities into which they are convertible, which may require the securities into which they are Convertible to be listed on the Exchange or listed on another Stock Exchange which is recognized for this purpose by the Exchange; and

Transfer Restrictions

- (i) The securities must generally be freely transferable, but may be subject to certain transfer restrictions if they are adequately disclosed to investors and approved in advance by the Exchange. The Exchange will generally approve transfer restrictions which result from the securities not being registered under securities laws in jurisdictions other than the OECS, or which are designed to obtain or maintain a tax or regulatory advantage to the Issuer or the holders of its securities, provided that such transfer restrictions are prominently and adequately disclosed to investors.

2.7 Appointment of Exchange Member as Adviser

The Exchange may, as a condition of granting or maintaining a listing, require an Issuer appoint an Exchange Member to advise the Issuer in connection with the listing.

2.8 Methods of bringing securities to listing; underwriting; public offerings

Securities may be brought to listing by any method, including by means of a public offering or private placement, or in the case of a new applicant, by means of an introduction.

- 2.9 Where the application for listing is for securities of a class which has not previously been listed on the Exchange:

- (a) The Exchange may require that the issue be underwritten by an underwriter approved by the Exchange which may be required to complete and execute the Declaration in the form set out in Appendix 4 to these Rules; and
- (b) The approved Underwriter shall file with the Exchange, before the issue commences, a Declaration in the form set out in Appendix 4 duly executed.

- 2.10 In the case of Foreign securities, under the Securities Act, the listing of the securities on the Exchange does not in and of itself constitute a public offering or distribution of the foreign securities.

- 2.11 However, if other activities of the Issuer or other persons in connection with the Foreign Securities would constitute a public offering or distribution of securities within the OECS, then the Issuer must comply with all applicable requirements as to public offerings set forth in the Securities Act and the Securities Regulations.

2.12 **Listing document**

Issuers seeking a listing for their securities on the Exchange must prepare a Listing Document, which contains the information required by this chapter and the applicable chapter of these Listing Rules depending on the type of securities being listed.

2.13 In addition to the detailed requirements set out in these Listing Rules, the Listing Document must, as an overriding principle, contain all information which, according to the particular nature of the Issuer and the securities for which listing is sought, is necessary to enable an investor to make an informed assessment of the activities, assets and liabilities, financial position, management and prospects of the Issuer and of its profits and losses and of the obligations of and rights, powers and privileges of such securities.

2.14 The Listing Document, documents for inspection and every other document submitted to the Exchange in support of an application for listing must be in the English language or accompanied by an English translation certified as being accurate by a translator acceptable to the Exchange.

2.15 The Listing Document must be submitted to the Exchange in draft in reasonable time for the Exchange to review it and for amendments to be made to it prior to the proposed listing date.

2.16 The cover page of the Listing Document shall state the following:

The Directors of the Issuer collectively and individually accept full responsibility for the accuracy of the information contained in the Listing Document and confirm, having made reasonable enquiry, that to the best of their knowledge and belief there are no facts the omission of which would make any statement within the Listing Document misleading. The Exchange takes no responsibility for the contents of this document, makes no representations as to its accuracy or completeness, and has no liability to any person

**for any loss or damage arising from any statement or omission
in this Listing Document.**

- (d) The names of the Issuer's attorneys, accountants, bankers and the underwriters of the issue, if any;
 - (e) Any special conditions concerning the listing, such as the minimum price which will be accepted for the securities, the right of the Issuer, if any, to withdraw the listing if insufficient investor interest develops, any transfer restrictions on the securities, and similar matters; and
 - (f) The date of the Listing Document.
- 2.17 The Exchange may, upon written request by the Issuer stating the reasons for the request, allow the omission of certain information otherwise required by these rules to be included in the Listing Document in accordance with the requirements set out in the applicable chapter of these Listing Rules if the Issuer provides the Exchange with written confirmation that the omission of such information would not be likely to mislead investors with regard to the matters set forth in Rule 2.14.
- 2.18 The Listing Document must be formally approved by the Exchange. Such approval will only be given if the Exchange considers that the information in the Listing Document is complete. 10.5.5.2 Notwithstanding the foregoing, the ECCSD will not act upon any instruction purporting to have been given by a Participant which is received commencing one business day after the ECCSD receives written notice from the Participant that the ECCSD shall not accept such instructions until such time as the Participant shall withdraw such notice.

10.6. Trade-For-Trade System

10.6.1 Trade-For Trade System Defined

10.6.1.1 The Trade-For-Trade System is a system of accounting for and settling Trade-For-Trade Contracts pursuant to which the Participant is either obligated to deliver units of each Security in which it has activity for that settlement period (a Short Position), or is entitled to receive units of that Security (a Long Position).

10.6.1.2 The delivery obligation shall be to the buying Participant with whom the contract was made and the right to receive being against the selling Participant with whom the contract was made; whereby Short Positions or Long Positions outstanding in respect of prior days' unsettled activity are carried forward until settled or closed-out in accordance with the provisions of this Rule 10.6 or other Rules; and whereby the contract money on all settling purchases is netted for each Participant against the contract money on all settling sales for that

Participant and any mark-to-the-market payment obligations or miscellaneous payment items of or to that Participant.

10.6.2. Maintenance of Position in Each Security

10.6.2.1 The ECCSD will maintain for each Participant for accounting purposes a position for each Contract in each Security for which the Participant has activity. The ECCSD will maintain either a Short Position reflecting units, which the Participant is obligated to deliver to another participant or a Long Position reflecting units, which the Participant is entitled to receive from another Participant.

10.6.3. Delivery and Receipt of securities

The ECCSD will on each Settlement Date by book-entry notations automatically effect delivery of securities from a selling Participant's Free Positions to the applicable buying Participant's Free Position for the purpose of clearing Settled Trades.

A Participant must hold all fully paid securities held on behalf of third parties in a Segregated Position and must transfer such securities promptly to a Segregated Position from a Free Position unless such third party has instructed the Participant to sell such securities.

Notwithstanding the foregoing, deliveries and receipts of securities may also be effected in such other manner as may be prescribed in the Rules.

10.6.4. Submission of Contract Data by Participant

Each Participant shall cause to be submitted to the ECCSD for recording Contract Data with respect to all Contracts to be recorded, cleared or settled through the ECCSD which have been compared by another source. Such Contracts may include, but shall not be limited to, Contracts executed and compared through the facilities of any securities exchange or association.

All Contract Data submitted to the ECCSD shall be recorded in accordance with this Section.

10.6.5. Issuance of Detail Trade Report

10.6.5.1 On each business day each Participant will retrieve a Detail Trade Report which will show as to each Trade-For-Trade Security the Trade-For-Trade Contracts recorded on trade day with the ECCSD that are due to settle on settlement day or on another day as established by the contracting Participants, including details of each trade and such other information as the ECCSD may deem advisable.

10.6.5.2 It shall be the duty of Participants to check all Detail Trade Reports immediately upon receipt thereof and to cause corrections of any errors thereon in accordance with Rule 10.6.6.

10.6.6 Error Correction

Immediately upon discovery of any error reflected on the Detail Trade Report, the Participant shall be responsible to correct the error by notifying the applicable securities exchange or association with respect to Contracts completed by such exchange or association, or such other person or entity which is responsible for the comparison of trades which are submitted to the ECCSD for recording. The Participant or other appropriate person where applicable, shall take whatever action is required to correct such error.

With respect to an error in any Contract which is discovered prior to settlement of such Contract, such Contract may be corrected by notifying the ECCSD to cancel the incorrect Contract, and, if applicable recording the correct Contract when both parties to such Contract have authorized this action and the ECCSD has agreed to such action.

In the event that an error in any Contract is discovered after such Contract has been settled through the ECCSD, such Contract may be corrected only by executing a new trade, which reverses the incorrect Contract when both parties to such incorrect Contract have authorized a new and correct Contract.

10.6.7 Issuance of Actual Settlement Report

10.6.7.1 On each Settlement Date, the ECCSD will issue to each Participant an Actual Settlement Report which will reflect for each Trade-For-Trade Security in which there was activity, the Participant's activity in such Trade-For-Trade Security on trade day, the transactions or transfers into and out of its Free and Segregated Positions, and the closing Long or Short Position for that day in each Trade-For-Trade Security.

10.6.7.2 The Actual Settlement Report or such other report as the ECCSD shall determine, will show the Participant's money activity for that Settlement Date.

10.6.8 Additional Mark-To-The-Market Payments

The ECCSD may, when it deems it necessary for the protection of the ECCSD and the Participants in view of the price fluctuations in or volatility or lack of liquidity of any Security, require any or all Participants to make mark-to-the-market payments on any Long or Short Position in respect of such security or to make mark-to-the-market payments in respect of any or all transactions in such Security prior to the Settlement Date for such transaction. The obligation to make mark-to-the-market payments in accordance with this Rule shall be a contractual obligation of each Participant in consideration of, and shall

constitute current value for, the ECCSD's continuing processing of Trade-For-Trade activity for such Participant with the ECCSD.

The ECCSD shall hold all such mark-to-the-market payments until the transactions or positions giving rise to the payments are settled.

10.6.9 Special Notice to Participants of Inadequate securities to Settle Trades

A Participant having Settling Sales in a Trade-For-Trade Security which do not settle on Settlement Date because the Participant has failed to make available securities it has an obligation to deliver, shall be sent a special notice from the ECCSD by the close of business on Settlement Date to eliminate such Short Position.

Upon receipt of such special notice, the Participant shall promptly credit or cause to be delivered to its Free Position the amount of such Security specified in the notice, and if the Participant shall fail to do so prior to the post-closing cut-off time for processing trades, credits or deliveries on such Settlement Date, the ECCSD may take action as it deems necessary to protect its participants and itself (according to close-out Rules and Procedures) including causing such securities to be bought in for the account of such Participant and for purposes of completing the required delivery on the first Business Day after Settlement Date.

When a Security is bought in for the account of a Participant pursuant to this Rule, the ECCSD shall do so in the best available market and at the best price and terms then obtainable, and neither the ECCSD nor any officer, director or employee thereof shall have any liability in respect of a buy-in executed in good faith under this Rule.

The ECCSD shall have the discretion to appoint such broker or brokers as it may desire to execute the buy-in transaction, and the failing Participant shall be responsible for the payment of all costs and expenses incurred in connection with such transaction.

10.7 Participant's Representatives

10.7.1 Authorized Representative of Participant

There shall be present at the location of each Participant on each business day between the hours of 8:00 am and 4:00 p.m., and until the Participant's account with the ECCSD, in the judgment of the ECCSD, is settled and in balance, a representative authorized in writing by the Participant in the name and on behalf of the Participant to sign all instruments, correct errors and perform such duties as may be required under these Rules and the Procedures and transact all business in connection with the Participant's business with, and the operations of, the ECCSD.

10.7.2 Filing of Authorized Signature

Every Participant shall file with the ECCSD the signature of each person who is authorized to act on behalf of the Participant pursuant to Section 1 of this Rule together with its written authorization.

10.7.3 Appointment of Participant as Agent of Another Participant

A Participant may appoint another Participant as its agent with respect to all the appointing Participant's business carried out with the ECCSD, provided such appointment has been consented to by the ECCSD and is evidenced by such appointments, authorizations, certifications and other agreements in such form as the ECCSD may require.

10.7.4 Operational Arrangements by Participant without Another Participant as Agent

10.7.4.1 Each Participant which does not appoint another Participant as its agent pursuant to Rule 10.7.3 shall make operational arrangements satisfactory to the ECCSD to deliver to, and receive from, an office, or agency of the ECCSD and appropriate Registries, instructions and other documents.

10.7.4.2 In addition, if required by the ECCSD because of the location of the Participant, the Participant shall arrange communications facilities between the Participant and the ECCSD and appropriate Registries, which shall be satisfactory to the ECCSD.

10.8 Money Payments

10.8.1 Settlement of Transactions

Pursuant to the settlement of transactions under Trade-for-Trade System specifying an amount of money payable, the ECCSD is authorized to, and will (subject to the right of the ECCSD to cease to act for a Participant either with respect to a particular transaction or transactions or with respect to transactions generally pursuant to these Rules), credit the deliverer's account with the ECCSD with the amount specified and debit the receiver's account with the ECCSD with the same amount. Payments through the facilities of the ECCSD shall be made in accordance with these Rules and the Procedures.

10.8.2 Money Payments between Participants

Money payments between Participants pursuant to Section I of this Rule shall, except as otherwise provided in the Procedures, be made through an account established for that purpose at the Eastern Caribbean Central Bank (ECCB) (or at another bank on terms approved by the ECCSD) as provided in this Rule 10.8.2.

In addition to the debits and credits pursuant to Rule 10.8.2.2, the ECCSD shall debit or credit itself, and Participants with other amounts receivable and payable in accordance with these Rules and the Procedures.

On each business day the ECCSD shall net all debits and credits to the accounts of each Participant subject to adjustments fails as set forth for the Trade-for-Trade System in Rule 10.6.

If at any time a balance is due the ECCSD from a Participant, payment of the amount of such balance shall be made by the Participant to the ECCSD in the manner and at the time and place specified in the Procedures and if at any time a balance is due a Participant from the ECCSD, payment of the amount of such balance shall be made by the ECCSD in the manner and at the time and place specified in the Procedures.

Each Participant shall open an account with the Eastern Caribbean Central Bank (ECCB) or a bank approved by the ECCSD to facilitate money settlement with the ECCSD pursuant to these Rules, and shall, at the ECCSD's request, authorize the ECCSD to deposit to, and withdraw from, such account, as the case may be, such amounts as are due to or from the ECCSD.

A Participant shall pay the ECCSD the whole or any part of its Net Debit Balance at any time on the ECCSD's demand.

At the request of the ECCSD, a Participant shall immediately furnish it with such assurances as the ECCSD shall require of the Participant's financial ability to fulfill its commitments and shall conform to any conditions which the ECCSD deems necessary for its protection and the protection of other Participants, which may include, in the sole discretion of the ECCSD, Credited securities; provided, however, that any such conditions shall not be inconsistent with any applicable laws or rules or regulations of regulatory bodies having jurisdiction over the Participant.

If a Participant shall fail to furnish the ECCSD with such assurances, the ECCSD may, in its discretion, withhold any Net Credit Balance, or take any other action authorized under these Rules.

10.8.3 Delivery of securities between Participants

10.8.3.1 Notwithstanding any provision in these Rules to the contrary, any action taken by the ECCSD pursuant to the Trade-for-Trade System to deliver securities from one Participant's account to the account of another Participant (the "receiver") by book entry on a business day for which, pursuant to such instruction, payment is to be made by the receiver through the facilities of the ECCSD shall, notwithstanding the nature of such action, not constitute an entry on the books of the ECCSD increasing the account of the receiver by the amount of the obligation or the number of shares or rights subject to the instruction until the earlier of (the "effective time")(a)the time it is finally determined by the ECCSD on such business day that the receiver has a Net Credit Balance for such business day; or (b)the time the receiver pays its Net Debit Balance, as finally determined

by the ECCSD for such business day, to the ECCSD in the manner specified in these Rules.

In the event the ECCSD, prior to the effective time, ceases to act for the receiver with respect to transactions generally pursuant to Rule 9 or ceases to act for the receiver pursuant to Rule 11, or in its sole discretion, determines that, in light of the receiver's financial or operating condition, it is in the best interests of the ECCSD and its Participants not to complete certain transactions with respect to the receiver although it does not cease to act therefore, the ECCSD shall have the right to sell out some or all of the securities subject to the instruction in the manner specified in Section 4 of this Rule 8 and credit the proceeds of such sale to the receiver's money account with the ECCSD; and provided, further, that to the extent that the receiver shall obtain control of any such securities, the receiver shall be considered as holding the same for the benefit of the ECCSD, and the ECCSD shall have the right to reclaim possession thereof from the receiver. If the receiver shall transfer or pledge the securities to a third party for value by a book entry transaction on the books of the ECCSD, the ECCSD shall have the right to reclaim, and shall be entitled to, any proceeds obtained by the receiver as a result thereof.

10.8.4 Sale of Securities Pursuant To Rule 10.8.3

In the event the ECCSD shall sell any securities pursuant to Rule 10.8.3, such sale may be made in any available market or at public auction or by private sale, and may be made without demand or notice to the receiver. If the sale is made in any market, or if the sale is at public auction, the ECCSD may purchase the securities sold for its own account. The ECCSD shall, upon receipt of the proceeds of the sale of such securities, apply such proceeds to the payment of the receiver's Net Debit Balance for such business day and any surplus shall be credited to the account of the receiver with the ECCSD.

10.9 Discretionary Termination

10.9.1 Adequate Cause for Discretionary Termination

Based on its judgment that adequate cause exists to do so, the ECCSD may at any time cease to act for a Participant either with respect to a particular transaction or transactions or with respect to transactions generally. Adequate cause for ceasing to act shall be deemed to exist if:

- (v) The Participant or any other person associated with the Participant has been convicted within the ten years preceding its application to become a Participant or at any time thereafter of any crime, felony or misdemeanor which involves the purchase, sale or delivery of any securities or arises out of conduct of the business of a broker, dealer, investment company, investment adviser, underwriter, bank, insurance company or other financial institution; or involves robbery, larceny, registry, embezzlement, fraudulent conversion, forgery or misappropriation of funds, securities or other property; or
- (vi) The Participant or any person associated with the Participant is permanently or temporarily enjoined by order, judgment or decree of any court or other governmental authority of competent jurisdiction from acting as an investment adviser, underwriter, broker, dealer, investment company, bank, insurance company, registry, or other financial institution or from engaging in or continuing any conduct or practice in connection with any such activity, or in connection with the purchase, sale or delivery of any securities; or
- (vii) The Participant or any person associated with the Participant is expelled or suspended from a securities association, exchange, registry, or collective depository or has been barred or suspended from being associated with any member of such an exchange, association, registry, or collective depository; or
- (viii) The Participant is in such financial or operating condition that reasonable grounds exist for a determination by the Board of Directors, or of the General Manager of the ECCSD if time does not permit action by the Board of Directors, that its continuation as a Participant would jeopardize the interests of other Participants. Any such action taken by the General Manager in this matter, must be subsequently ratified by the Board of Directors.

For the purposes of this Sub-Rule, the term "person associated with" when applied to any person shall mean any partner, officer, director, or employee of such person or any person directly or indirectly controlling or controlled by such person.

A written report of the reasons for such action shall be promptly made and filed with the ECCSD and the Commission.

When the ECCSD ceases to act for a Participant with respect to transactions generally, it will notify such Participant and all other Participants. The notice that the ECCSD has ceased to act for a Participant given by the ECCSD shall state in at least general terms how pending transactions will be affected.

Notwithstanding Sub-Rule 10.9.1 above, the ECCSD may not at any time cease to deliver a Participant's fully paid credited securities to such Participant by Registry Transfer.

10.9.3 Refusal To Accept Contract Data and Instructions

10.16 ADMISSIONS TO PREMISES

No person will be permitted to enter the premises of the ECCSD on behalf of any Participant unless he has first been approved by the ECCSD and has been issued such credentials as the ECCSD may from time to time prescribe and such credentials have not been canceled or revoked.

Each Participant shall, if any person in its employ to whom any credentials have been issued pursuant to this Rule or to whom a power of attorney or other authorization has been given to act for it in connection with the business of the ECCSD shall for any reason cease to be so employed, give to the ECCSD immediate notice in writing of such termination of employment and if any such power of attorney or other authorization is otherwise revoked or canceled, shall likewise give to the ECCSD immediate notice in writing of such revocation or cancellation.

All credentials issued pursuant to this Rule shall be immediately surrendered to the ECCSD, accompanied by a written statement specifying that they are being surrendered pursuant to this Rule, upon their revocation by the ECCSD or by the employer or upon the termination of the employment of the holder thereof.

Unless revoked by the ECCSD, all credentials, authorizations and powers of attorney issued pursuant to this Rule or in connection with the work of the ECCSD shall remain in full force and effect until the ECCSD shall have received written notice of the revocation thereof or of the termination of the holder's employment.

10.17 Waiver or Suspension of Rules and Procedures

The time fixed by these Rules and the Procedures for the doing of any act or acts may be extended or the doing of any act or acts required by these Rules or the Procedures may be waived or any provision of these Rules or the Procedures may be suspended by the Board of Directors, or by the Chairman of the Board or the General Manager whenever, in its or his/her judgment, such extension, waiver or suspension is necessary or expedient.

A written report of any such extension, waiver or suspension (other than an extension of time of less than one hour) shall be promptly made and filed with a member of the Board of Directors of the ECCSD.

Any such extension, waiver or suspension shall not take effect until approved by the Commission.

10.18 Notice of Proposed Rule Changes

The ECCSD shall immediately notify all Participants and the Commission of any proposal it has made to change or revise these Rules and of any proposal it has made to add or repeal any Rule, and of the text of any such proposal.

The ECCSD shall notify all licensed registries of any proposal the ECCSD has made to change, add, or repeal a rule that concerns or implicates Registry records or Registry processing.

Participants and the Registry may submit to the ECCSD for its consideration their comments with respect to any such proposal, and such comments shall be filed with the ECCSD's records and copies thereof delivered to the Commission.

10.19 Charges for Services Rendered

Each Participant shall pay such fees and charges to the ECCSD as shall be specified in the fee schedule and approved by the Board of Directors on a reasonable and nondiscriminatory basis. In addition, a Participant may be charged for any unusual expenses caused directly or indirectly by such Participant or incurred at its request.

10.20 Disciplinary Sanctions

The ECCSD may discipline a Participant for a violation of any of these Rules or the Procedures or for errors, delays or other conduct detrimental to the operations of the ECCSD, or of Participants, or for not providing adequate facilities for its business with the ECCSD by imposing any of the following sanctions: expulsion; suspension; limitation of activities, functions and operations; fine; or censure. In addition, in the event a Participant shall violate these Rules, the Procedures, or any of its agreements with the ECCSD, the ECCSD may require such cash or other deposit by a Participant as shall be necessary or appropriate to protect the ECCSD or Participants in the circumstances.

In the event that a Participant shall fail to settle any fine or cash payments under Rule 10.20.1, the ECCSD is authorized by these Rules and the Procedures to charge interest to that Participant and/or other Participants in substantially the same amounts as the ECCSD shall have paid by reason of such event; the charge of such interest shall not be considered a disciplinary sanction and shall not therefore be subject to this Rule or Rule 10.21.

When the ECCSD proposes to impose a sanction it will send the Participant a written statement describing the reason for the proposed sanction and notifying the Participant that it has an opportunity to respond pursuant to Rule 10.21.

The sanction proposed may be imposed by the Chairman of the Board, or the General Manager of the ECCSD, unless, within five business days after notification of such proposed sanction, the Participant provides written notice of its desire to contest the sanction as provided in Rule 10.21.

The right to contest a sanction before it is imposed pursuant to Rule 10.21 shall not apply to a case where the ECCSD summarily ceases to act for a Participant pursuant to these Rules.

10.21 Right to Contest Decisions

10.21.1 Right to Hearing

A Participant or an applicant to become a Participant, or an issuer of a security (hereinafter in this Rule referred to as the "Interested Person"), shall have the opportunity to be heard on any decision of the ECCSD:

10.21.2 Request for Hearing

10.21.2.1 An Interested Person may request an opportunity to be heard by filing with the ECCSD, within five days after notification of the action or proposed action, a written request for a hearing setting forth:

- (i) The action or proposed action of the ECCSD with respect to which the hearing is requested;
- (ii) A copy of the statement sent by the ECCSD describing the action or proposed action; and
- (iii) The name of the Interested Person and its Counsel who may be contacted with respect to the hearing.

10.21.2.2 Within 15 business days after the Interested Person files such written request with the ECCSD, or 3 business days in the case of ceasing to act summarily for the Interested Person pursuant to these Rules, the Interested Person shall submit to the ECCSD a clear and concise written statement setting forth with particularity the basis for objection to such action and whether the Interested Person chooses to be represented by counsel at the hearing.

10.21.2.3 The failure of the Interested Person to file the written request referred to above within the time period required by these Rules and/or the failure of the Interested Person to submit the written statement referred to above within the

time period specified above shall constitute a waiver by the Interested Person of its right to a hearing.

10.21.2.4 The ECCSD shall notify the Interested Person in writing of the date, place and hour of the hearing at least 5 business days prior to the hearing.

10.21.3 **Composition of Hearing Panel**

- (b) The ECCSD shall provide the cited party with the names of the persons on the Disciplinary Panel within three (3) business days of the finalization of the panel.
 - (c) Any objections to any of the proposed individuals shall be made by the party cited in writing not later than seven (7) business days prior to the scheduled hearing and shall specifically state the nature and reasoning for the objection.
 - (d) The said objections shall be directed to the Chairman of the Board of Directors of the ECCSD for his decision.
 - (e) The Chairman of the ECCSD shall rule on the objection within three (3) business days of the receipt of the objection. Within five (5) business days of the receipt of any objection, the cited party shall be notified whether the objection is sustained or denied.

 - (g) In reconstituting the Panel, the Chairman of the ECCSD shall be guided by the provisions of Rule 17.08 of these Rules.

10.21.4 **Right to Legal Representation**

At the hearing, the Interested Person shall be afforded an opportunity to be heard and may be represented by counsel if the Interested Person has so elected pursuant to Rule. 10.21.2.1.

A record shall be kept of any hearing held pursuant to this Rule, and the cost of the record may, in the discretion of the Panel, be charged in whole or in part to the Interested Person in the event that the decision at the hearing is adverse to the Interested Person.

10.21.5 **Notification of Decision**

The Panel shall advise the Interested Person of its decision in writing within 10 business days after the conclusion of the hearing.

If the decision of the Panel shall have been to deny the Interested Person's application to become a Participant, a notice of decision setting forth the specific grounds upon which the decision is based shall be furnished to the Interested Person.

If the decision of the Panel shall have been to impose a disciplinary sanction on the Interested Person in accordance with 10. 21 or to affirm any summary action previously taken against the Interested Person pursuant to these Rules, a notice of decision setting forth (i) any act or practice in which the Interested Person has been found to have engaged, or which the Interested Person has been found to have omitted, (ii) the specific provision(s) of the Rules or Procedures of the ECCSD or of the Participant's agreements with the ECCSD which any such act or practice or omission to act has been deemed to violate, and (iii) the sanction imposed and the reasons therefore shall be furnished to the Interested Person.

A copy of the Panel's notice of decision shall also be furnished to the Chairman of the Board and the Commission in all cases.

10.21.6 **Application for Review by Commission**

In the event that a Panel censures, fines, suspends, expels or limits the activities, functions or operations of any Interested Person, the Interested Person may apply for review to the Commission, by written motion filed with the Secretary to the Commission within 10 business days after issuance of the Panel's written statement of its decision.

10.21.7 Final Ruling

10.21.7.1 Any action or proposed action of the ECCSD as to which an Interested Person has the right to be heard pursuant to this Rule shall be deemed final:

- (i) When the Interested Person agrees to the taking of such action by the ECCSD, at which time the ECCSD shall furnish the Interested Person with a statement containing the information referred to Rule 10.21.5;
- (ii) Upon the expiration of the applicable time period provided in these Rules for the filing of a written request or a written statement pursuant to Rule 10.21.2, at which time any such proposed action of the ECCSD shall become final and at which time the ECCSD shall furnish the Interested Person with a statement containing the information referred to in Rule 10.21.5; or
- (iii) if a hearing has been held pursuant to this Rule, upon expiration of the time provided for the filing of a motion for review of the decision of the Panel, or, if a motion for review is timely filed, when the Interested Person is notified of the denial of the motion or the decision of the Board of Directors on review, as the case may be; or if the Commission grants the motion or reviews the Panel's decision, upon the notification to the interested person and the ECCSD of its decision.

10.21.7.2 Notwithstanding the foregoing, if the Board of Directors shall determine on its own motion to review any action by a Panel hereunder, such action shall not be deemed final until notice of the decision of the Board of Directors on review is sent to the Interested Person.

10.21.8 Establishment of Procedures for Hearing outside Rule 10.21

A Panel may at any time establish procedures for a hearing not otherwise provided for by these Rules with respect to any action or proposed action of the ECCSD.

10.22 Bills Rendered

The ECCSD will render bills to Participants as provided in the Procedures for charges on account of services provided or fines imposed.

10.23 Forms

In connection with any transactions or matters handled through, with or by the ECCSD under or pursuant to these Rules or the Procedures, such forms or lists, notices and other

documents shall be used as the ECCSD may, from time to time prescribe, and additions to, changes in and elimination of any such forms may be made by the ECCSD at any time in its discretion.

10.24 Business Days

The Procedures shall specify the days on which the ECCSD will be open for business. Any deliveries to the ECCSD; any deliveries which the ECCSD is required to make; and any transactions which the ECCSD is instructed to effect on days on which the ECCSD is not open for business will be accepted, made or effected on the next day on which the ECCSD is open for business.

10.25 Facsimile Signatures

10.26 Rules and Procedures

10.26.1 Amendments

The Board of Directors shall pursuant to these (subject to the prior approval of the Commission) prescribe from time to time Rules and Procedures and other regulations in respect of the business of the ECCSD. The Board of Directors may by resolution delegate to the Chairman of the Board or the General Manager the power to prescribe Rules and Procedures. Each Participant and the ECCSD will be bound by such Rules and Procedures any amendment thereto in the same manner as it is bound by the provisions of the constitution of the ECCSD and these Rules.

10.26.2 Notice to Participants

Participants shall be given 10 business days notice of any amendment of the Rules and Procedures.

10.27 Delegation

Except where action by the Board of Directors is specifically required by the Rules, the ECCSD may act by the Chairman of the Board, the General Manager, or by such other person or persons, whether or not employed by the ECCSD, as may be designated by the Board of Directors from time to time.

11.2 Documents to be provide

Each Issuer shall provide the following documents to the ECCSR prior to the commencement of the provision of services to the Issuer by the ECCSR:

11.4 Services

The ECCSR shall keep the Issuer's register of members whose securities have been registered with the ECCSR and shall perform all services relating thereto as are required or provided by these Rules or the listing and trading rules and requirements of the ECSE.

11.5 Coordination with ECCSR; documents to be furnished

the ECCSR with the written approval of the Issuer) to distribute the dividends or interest amounts to the applicable class of holders as of the applicable payment date.

11.13 Confidentiality of Records

- (a) Subject to the remaining provisions of this Rule, the ECCSR shall keep confidential all records maintained on behalf of the Issuer.
- (b) The ECCSR may provide access to such records to its auditors and accountants, to designated officials of the Issuer, to the Commission, and in response to an order from a court of competent jurisdiction.
- (c) Subject to subsection (d) below, the ECCSR shall notify the Issuer of any demand for its records pertaining to the Issuer or the holders of its securities if permitted to do so under applicable law. If the Issuer wishes to challenge such demand, it shall be solely and exclusively responsible for, and shall bear all expenses of any such challenge and shall indemnify and hold the ECCSR completely harmless with respect to all costs, expenses and liabilities of any such challenge, including the ECCSR's counsel fees.
- (d) Notwithstanding subsection (c) immediately above, the ECCSR may provide access to the requested records with or without advance notice to the Issuer whenever advised by its counsel that it may be liable for failure so to do, and in such a case the ECCSR shall have no liability to the Issuer or any other party, including the holders of the Issuer's securities, for any action taken by the ECCSR in accordance with such advice of counsel.

11.14 Instructions from Issuer

- (a) At any time, the ECCSR may apply to the Issuer for instructions in respect of any matter arising in connection with the provision of services to the Issuer or the holders of its securities, and the ECCSR shall be held harmless by the Issuer for any liability, loss or damage it incurs, including its counsel fees, for any action taken or omitted by it in good faith in accordance with such instructions. The ECCSR shall be protected

and held harmless in acting upon any request, inquiry, or instruction it reasonably believes to be genuine and duly authorized.

- (b) The ECCSR shall not be held to have notice of any change of authority of any officer, employee, or agent of the Issuer until the ECCSR receives written notification from the Issuer of such change given in accordance with the contract between the Issuer and the ECCSR.

11.15 Indemnification by Issuer

- (a) Provided the ECCSR has acted in good faith, with due diligence, without negligence and in accordance with the Securities Act and the Securities Regulations, the Issuer assumes full responsibility and shall indemnify the ECCSR and save it harmless from and against any and all actions and suits, whether groundless or otherwise, and from and against any and all losses, damages, costs, charges, counsel fees, payments, expenses, and liability arising directly or indirectly out of its activities on behalf of the Issuer.
- (b) In furtherance and not in limitation of the preceding sentence, the Issuer shall be fully responsible for and shall indemnify the ECCSR and save it harmless from all liability and against any and all actions and suits in connection with any differences or inaccuracies which existed at the time the records of the holders of the Issuer's securities are initially established at the ECCSR, provided that the ECCSR shall provide a copy of such records to the Issuer at the time of their establishment for review and approval by the Issuer.

11.16 Failure to pay fees

Failure by the Issuer to pay fees may result in the immediate suspension of services provided by the ECCSR.

11.17 Term of Agreements; Obligations after Termination

- (a) The initial terms of agreements between the Issuer and the ECCSR shall be established by written agreement, but if not specified shall be for three (3) years with automatic renewal for one (1) year periods at the end of the initial and each subsequent term unless written notice of intent to cancel is provided by either the Issuer or the ECCSR to the other party ninety (90) days prior to the end of the current term of the agreement.
- (b) Notwithstanding the termination of any agreement between the Issuer and the ECCSR, any outstanding obligations of the Issuer and the ECCSR with respect to the performance or failure to perform their duties during the term of an agreement shall survive its termination and shall remain binding on the ECCSR and the Issuer.

15.3C.2 Maintenance of sufficient shares or funds to cover short sale obligation. A Member which makes a short sale of a particular quantity of a Security shall, at all times until it has purchased or otherwise acquired ownership of a sufficient quantity of the Security to cover its short sale delivery obligations, have and maintain on hand a sufficient amount of liquid assets over and above its net capital requirements to cover the purchase of that quantity of the Security at its then-current market price. A Member shall be exempt from this liquid assets requirement only if:

(a) it is a party to a financial instrument (such as an option, warrant, or ownership of a convertible Security) entitling it to become the owner of a sufficient quantity of the Security in time to cover its short sale delivery obligations; and

(b) it has a sufficient amount of liquid assets to enable it to acquire a sufficient quantity of the Securities under the contractual obligation or financial instrument, such as the exercise price of an option.

15.3C.3 Lending and borrowing of Securities for short sales.

(a) A Member who proposes to lend to another Member Securities beneficially owned by its customers shall fully disclose its ability to do so and the risks inherent therein to all affected customers in writing prior to the time of such lending.

(b) A Member who has loaned another Member Securities belonging to a customer shall, at all times until it has been paid for the loaned Securities or they have been returned to the loaning Member, have on hand a sufficient amount of liquid assets to cover the total cost of purchasing the loaned Securities on the open market at the request of the customer.

(c) If, in connection with a short sale, the Member has borrowed the Security sold short from another Member for delivery to the buyer, the borrowing Member shall, at all times while such borrowing is outstanding, in addition to its obligation under Rule 15.3C.2 above, have on hand a sufficient amount of liquid assets to cover the total cost of borrowing that quantity of the Security from the other Member.

15.3C.4 Remedial actions and reports to ECSE. A Member whose liquid assets fall below the levels prescribed in Rules 15.3C.2 and 15.3C.3 above shall immediately

(a) Purchase a sufficient quantity of the Security to close out its short sale position by delivering that quantity of the Security to the buyer or the Member from whom it was borrowed;

(b) Pay any costs of borrowing or other expenses incidental to the short sale; and

(c) Notify the ECSE of the particulars of the short sale, the shortfall, and the actions taken to close out the short position.

15.3C.5 Short sales by customers. A Member shall require of any of its customers for whom it proposes to execute short sales to maintain on deposit with the Member, in the customer's general account or in a separate account, from time to time liquid assets or financial instruments sufficient to enable the Member to satisfy its obligations under these Rules. Members shall immediately advise the customer of any additional deposits required to be made due to fluctuations in the price of the Security sold short or for any other reason, and shall promptly take appropriate steps under Rule 15.3C.4 if the customer fails to make such deposits. Default by a customer does not excuse a Member from compliance with its obligations under these Rules.

15.3C.6 Prohibited short sales. A Member may not execute a short sale in a Security unless the price at which it is concluded is either:

- (a) higher than the last price at which a round lot of the Security was traded; or
- (b) equal to the last price at which a round lot of the Security was traded, if such last price is higher than the previous different price at which a round lot of the Security was traded.

15.4 Direct participation in or access to the SYSTEM is limited to Members that satisfy all applicable requirements for participation established by the Exchange.

These requirements may include:

- (a) a level of capitalization above the minimum level fixed by the Commission for licensed intermediaries to trade securities;
 - (b) Specific computer hardware, software, telecommunications links, equipment maintenance, security and other operational requirements contained in service contracts, user guides, or similar documents;
 - (c) System certification;
 - (d) Minimum staffing and supervisory procedures; and
 - (e) Such additional requirements that the Exchange may establish in the future.
- 15.5 Members must also comply with any regulatory requirements administered by the Commission relating to access to, or use of the SYSTEM for the intermediation of securities in the Exchange.
- 15.6 A Member's right to participate in the SYSTEM is automatically revoked in the following circumstances:
- (a) For the duration of any suspension of the firm's Membership in the Exchange;
 - (b) Upon the effective date of the termination of the firm's Membership in the Exchange;
 - (c) Upon the Exchange's finding that the Member has been delinquent for more than 30 days, in paying any due, fee, assessment or other charge levied by the Exchange;
 - (d) When a sanction is imposed by the Exchange or Commission, as a result of an enforcement proceeding, that suspends or terminates the Member's right to participate in the SYSTEM; or
 - (e) Upon the Exchange's finding a reasonable basis to conclude that a Member had engaged in fraudulent or criminal activities, or that a Member breached a material term or condition of its service contract with the Exchange.
 - Direct access to the SYSTEM is controlled by individual usernames and password codes assigned to each Member authorized for direct participation.

“Direct access” refers to the ability of a Member to enter quotations, and to report or confirm transactions directly into the SYSTEM through a computer terminal (PC).

A Member is responsible for maintaining the security of its assigned codes and of the computer equipment that enables the Member’s participation in the SYSTEM.

In particular, the Member must locate such computer equipment so that it is directly accessible only to authorized personnel of the Member.

15.8 In the event of extraordinary market conditions, natural disasters, failure of the national telecommunications or electric power systems, failure of the computer infrastructure that supports the SYSTEM, or major national or international crises, the Exchange may order a temporary suspension of the System’s operation.

15.9 As to any security authorized for quotation in the SYSTEM, the Exchange may order a temporary suspension of quotations in that security upon finding that such action is necessary or appropriate to protect customers or to maintain public confidence in the integrity of the securities market that the SYSTEM supports.

The Exchange may establish a department of market surveillance to monitor trading for possible rules violations and to investigate complaints of alleged violations or misuse of the SYSTEM, regardless of the source of the complaint.

Among other things, this department will be responsible for analyzing trade data and other relevant information regarding any alleged trading violation.

15.10 The results of this investigative work will be reported to the Exchange, or its designated committee responsible for initiating disciplinary proceedings or proceedings to revoke a Member’s right to access or use the SYSTEM.

15.11 Quotation Increments

Unless otherwise permitted by the Exchange, quotes must be expressed in increments of 0.01

15.12 Circuit Breakers

Whenever trading in a particular Security causes average declines, or advances of the price of a stock to exceed pre-determined guidelines established by the Exchange based on the previous day's close, trading in the Security may be temporarily halted by the Exchange in order to reduce market volatility.

15.13 View Access by non-members

Any entity that is not a Member is prohibited from having direct access to the SYSTEM.

Non-Members are permitted to have “view only” access to the SYSTEM.

With this level of access, a non-Member can retrieve and view any information or market data that is generally available through the SYSTEM, including the full range of quotation and transaction information that Exchange collects, validates, and distributes during normal market hours.

To obtain view-only access, a non-Member must enter into the appropriate service contract(s) and pay all related fees established by the Exchange.

15.14 Reporting of Off-Exchange Transactions

All off exchange transactions by Member firms must be reported to the Exchange.

The following categories of transactions are exempt from the trade reporting requirements of this Rule:

- (a) Transactions resulting from a legal directive (e.g., a court order or inheritance of the securities);
- (b) Transactions between accounts that have the same beneficial owner;
- (c) Transactions made to effect a gift, or a donation to a recognized charity; and
- (d) Such other transactions as the Exchange may periodically approve.

15.15 Dealer trades and agency cross trades shall be reported to the Exchange within two (2) minutes after the buyer and seller have agreed to the terms of the trade.

15.16 The Member responsible for entering a trade report is determined by reference to the following:

- (a) In transactions between two Members, the Member on the sell side must report the trade;
- (b) In transactions between any Member and a non-Member, the Member must report the trade; or
- (c) In transactions in which a Member matches the buy and sell orders of two or more customers, the Member must report the trade.

15.17 A transaction report shall include the following information for a particular trade:

- (a) Security symbol;
- (b) Unit price (excluding any commission, mark-up or mark-down, or other transaction-based fee);
- (c) The volume of the transaction;

- (d) A symbol indicating whether the reporting party effected a buy, sell, dealer or an agency cross transaction (i.e., the matching of buy and sell order between two customers of the same Member);
- (e) A symbol indicating whether the reporting party effected the trade as principal or agent;
- (f) The identity of the Member on the opposite side of the trade;
- (g) A late indicator and the time of execution in the case of a trade report entered more than two (2) minutes after the time of a trade's execution; and
- (h) Such other information that the Exchange specifies as necessary for clearance/settlement, and regulatory purposes or to implement future enhancements to the SYSTEM.

15.18 Public dissemination of reports of off-exchange trades that have been executed between Members will be delayed until those transactions are confirmed pursuant to the Exchange's procedures.

15.19 Confirmation of Transactions Between Members

- (a) The trade confirmation process is independent of the trade reporting process described above. The trade confirmation process described in this Rule does not apply to trades consummated between Members via the Exchange System.
- (b) Exchange transactions in eligible securities must be confirmed through the SYSTEM whenever both parties to the trade are Members. The confirmation of such a trade is accomplished according to the following procedures.
- (c) Within two (2) minutes after one Member has reported the trade pursuant to the procedures set forth above, the other Member (or contra side Member) must respond by making one of following entries:
 - (i) An acceptance of the terms of the reported trade;
 - (ii) A rejection of the terms of the reported trade; or
 - (iii) A rejection of the terms of the reported trade accompanied by the proposal of modified terms; in this instance, the Member receiving the modified terms must respond within thirty minutes to effect a confirmation.

Acceptance and Execution of Orders

15.20 Members must deal fairly with customers, exercise reasonable diligence in the handling of customers' orders to achieve the best available price under prevailing market conditions, and charge reasonable fees for the services provided to customers.

- 15.21 Members shall maintain a reasonable level of fees for their services according to the requirements of the Exchange and the ECSRC.
- 15.22 A Member that has consummated a trade with another Member or a customer must honor the specific terms of the trade so as to enable settlement within the time period prescribed by these Rules or the requirements of the ECCSD.
- 15.23.1 In any transaction for or with a customer, a Member shall use reasonable diligence to ascertain the best inter-dealer market for the subject Security and execute the order so that the resultant price to the customer is as favourable as possible, under the prevailing market conditions.
- 15.23.2 In determining whether a Member has used reasonable diligence to comply with these Rules, the following factors will be considered:
- (a) The character of the market for the security, as indicated by the last reported price for one unit (normally at least 100 shares), the best bid and offer prices displayed in the SYSTEM for the security;
 - (b) Overall market conditions at the time that the trade was executed;
 - (c) The size of the customer's order in relation to the size being quoted by any registered market makers in the security at the time of execution (if applicable);
 - (d) Any conditions attached to the execution of the customer's order (e.g., a price limit or a customer's requirement for the execution of the entire order at a single price); and
 - (e) The steps actually taken by the Member to obtain the best execution price.
- 15.24 In handling an order for an eligible security for customer's account, a Member shall not involve another intermediary to obtain an execution of that customer's order, unless the Member can demonstrate that doing so has reduced the transaction costs to the customer.
- 15.25 Before accepting a buy or sell order from a customer, a Member shall:
- (a) In the case of a sell order, access the registry and verify the customer's ownership of the security(ies) that such customer proposes to sell;
 - (b) Access the SYSTEM to determine the most recent price information available (i.e., the highest bid, lowest offer, and price of the last reported transaction); and
 - (c) Communicate that information to the customer; and (d) ask whether the customer wishes to place a price limit or any other condition on the order (e.g., that a partial execution would or would not be acceptable or that the order is to be cancelled if not filled by a particular date).

15.26.1 A Member shall be entitled to execute large transactions either by trading as principal with a customer or by matching the buy and sell orders of two (or more) customers, outside the range of the best firm bid and firm offer currently displayed in the SYSTEM.

15.26.2 For this purpose, a large transaction shall mean a block of at least five thousand (5,000) shares with a market value of 10,000 EC, or 125,000 shares with a market value of 1,000 EC . However-amalgamation or a bunching by a Member of more than five orders in which no order is less than twenty percent (20%) of the total orders, shall not be recognized as a large transaction.

15.26.3 The execution of a large transaction shall be treated as a special transaction outside the normal round-lot market reflected in the SYSTEM.

Nevertheless, the executing Member shall ensure the execution of any customer limit orders he holds and which would be eligible for execution at the price of the large transaction:

(a) by either allowing the customer limit orders to participate directly in the large transaction; or

(b) by the Member trading as principal to satisfy the customer limit orders at the unit price of the large transaction.

15.26.4 In any event, a Member shall report large transactions for public dissemination in accord with the requirements of these Rules.

15.27 Priority of Customer Orders

Customer orders shall have right of priority to those of the firm. A Member firm cannot execute a proprietary trade ahead of a customer order.

15.28 Trading Price For On Exchange Activity

The price that optimizes the trading volume shall be the trading price in the call auction market. This price shall be a function of supply and demand within the market.

15.29 Trading Price For Off-Exchange Activity (Agency Cross and or Dealer Trades)

The highest bid and the lowest offer shall be known as the best bid and offer.

In order to ensure the protection of the customers, an orderly market, as well as to maintain the confidence of the public in the integrity of the Exchange, the following restrictions regarding the price of the transactions in securities executed off the Exchange are established.

(a) When there are firm bids and firm offers for the Security, the transaction must be executed or effected at price that is at the best bid and asked prevailing prices for the Security at the time of the transaction.

(b) When there are only firm bids for the security, the price of the transaction shall at least equal the best firm bid.

15.30 When there are only firm offers for the Security, the price of the transaction shall at the most equal the best firm offer.

15.31 When there are no firm quotations for the Security, the price of the transaction shall be within 20% of the price of the last transaction.

15.32 If no transactions occurred previously in the security, the price of the transaction shall be determined by trying to negotiate with the Members displaying indicative quotations, to the extent such quotations can, at least partially, fulfill the customer's order.

(a) In all these situations, if the Member, acting as principal, may fulfill the customer's order at a better price than the one currently displayed in the system, by buying or selling the securities for or out of its own account, the price may constitute an exception to these restrictions.

(b) In all situations, the Member shall make all the efforts to provide the best execution for the customer's order.
